

**LATEST UPDATE – June 2012**

From 1 July 2012 ASIC fees for many standard lodgements will increase in accordance with the increase in the CPI for the March quarter 2012. Below we list our new prices for some of our more popular services. The increases reflect only the increased ASIC fees. Our fees remain unchanged.

In particular please note the increase in annual review fees which will apply to all companies with a review date on or after 1 July 2012, irrespective of whether the fee has already been paid. The additional amount outstanding will be noted on the ASIC invoice when it arrives.

Our team hopes that the year end will not be too stressful for you and reminds you that we are available to assist you during this busy time.
